

# FREE NURSERY EDUCATION

For children aged 9 months to 4 years.

From September 2025, 15 hours for working families with children under 3 will expand to 30 hours, meaning eligible working families can now apply for 30 hours of childcare from the term after their child turns 9 months until they reach school age.

If you currently receive 15 hours for working parents, just reconfirm as usual and the code will work for the 30 hours offer in September, providing you remain eligible.

If you do not qualify for the above your 2-year-old to may still be able to get free childcare if you live in England and get any of the following benefits:

- Income Support
- income-based Jobseeker's Allowance (JSA)
- income-related Employment and Support Allowance (ESA)
- Universal Credit, and your household income is £15,400 a year or less after tax, not including benefit payments
- the guaranteed element of Pension Credit

Further information can be found on [Childcare Choices Website](#).

In both scenarios the code is the responsibility of the parent.
